

## THE CANTERBURY TOY DOG SOCIETY NEWSLETTER WINTER 2007

### **Presidents Viewpoint**

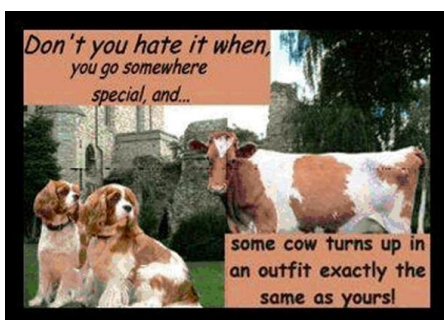

“Hello” I am Diane Boyd; your new President. I have been a member of Canterbury Toy Dog Society since 1975 and have been on the Committee several times over all those years. My breed is the Maltese which I am still showing and breeding. I also have Pekingese and a Japanese Chin that I show.

I am looking forward to the year ahead with the Club, we have a great team and I think you will notice the changes we hope to make. This is “YOUR” Club, if you want to make any suggestions for events or want something done please come and see me – hopefully I can oblige.
