

Rally-O for Absolute Beginners

(or those having just begun; interested to know more; or wanting to polish up their initial attempts)

In keeping with their very impressive enthusiasm to provide outlets for a variety of canine activities other than confirmation showing for as wide a public as possible, and in keeping with a desire to promote responsible dog ownership and varying canine activities, the Canterbury Kennel Association has decided to add yet another activity (other than the already very popular Canine Good Citizen programme) in the

form of Rally-O classes.

Over a series of (non-consecutive) weeks, hour long classes will be held to teach anyone interested in learning how to participate in Rally-O. Socializing, enjoyment, smiles, astonishment, and occasional embarrassments are the norm (if not guaranteed).

Classes will be held at the **CKA grounds** and **commence at 9am** for **one hour** as follows:

September 13th

(fine weather permitting): Rally-O Novice Stations 1 – 6

October 11th:

Rally-O Novice Stations 7 – 12

October 18th:

Rally-O Novice Stations 13 – 18

November 1st:

Rally-O Novice Stations 19 – 24

November 8th:

Rally-O Novice Stations 25 – 30

November 22nd:

Rally-O Novice Stations 30 – 34

(on November 22nd), a demonstration of **your** achievements will also be displayed, as part of the Waimate Kennel Association Show.

If interested in attending, please register with Arend van den Bos (arend7@xtra.co.nz) who will be your main instructor, assisted from time to time by other Rally-O Judges and Instructors.

Further information regards Rally-O can be found on the Dogs NZ website by clicking on the "Obedience" tab and then "Rally-O website" from the menu.
